Thank you for requesting information on our driver education programs. We hope the following will answer all of your questions.

About the Academy of Driving

The Academy of Driving was founded in 1990 and has become the leading driving school in the Tucson area. Our goal is to teach the theory and practical skills required to learn how to drive in today's fast and complex driving environment.

High Quality Instruction

Our Traffic Trainers are carefully selected and have a genuine interest in road safety with a background in transportation education. They are fingerprinted and screened by the Department of Public Safety and the F.B.I. In addition to passing a Motor Vehicle Division examination, they have successfully completed the Academy's extensive training program.

Equipment

Our vehicles are automatic, have an extra brake and mirror for the trainers and have a sign on top and the back window that alerts others to the student drivers.

If you, have any questions regarding our program, please call (520) 748-2102 Monday through Friday, 9:00am to 5:00pm
